

MATBUS SURVEY FOR MOORHEAD EVENING SERVICE

Let your voice be heard!

As part of our 5-year plan, MATBUS is looking to make adjustments to improve evening bus service in Moorhead. We would like your opinion on various options, so we invite you to take our online survey, found at the link below. There will also be paper copies available at the GTC dispatch window, if you'd prefer to participate that way. Your responses will be considered when MATBUS administration makes its decision on what changes to make.

Please complete the survey by Sunday, September 11, 2016, either by filling it out online or turning in the paper survey to dispatch.

Take the survey at:
