

LinkFM Extended Service for Hjemkomst Events

MATBUS is extending service on its LinkFM route on Friday, June 24 and Saturday, June 25 for the Scandinavian Hjemkomst and Midwest Viking Festival. On each day, an extra bus will be traveling the route 9:53am – 5:23pm in order to meet the needs of those traveling to the events. With the extra service, a bus will arrive at each stop every seven minutes, on average.

Currently, the Hjemkomst LinkFM bus stop is only being served on request. During the events, the stop will be served on every trip the LinkFM buses make along the route. There will also be additional temporary bus stops placed on the route – two stops, each labeled “Bus Stop #15” located on the southwest and north sides of the Moorhead Center Mall parking ramp.

Event attendees using the park and ride option are encouraged to park at the mall ramp or along the north side of the mall, near stops #1 and #14.

MATBUS fixed route riders can arrive at the Moorhead Center Mall on Route 1 or Route 2, which drop off at the shelters on the north and south side of Center Ave.
